250 Watt Equivalent	LED.....	\$ 5.00
175 Watt	Mercury Vapor.....	\$ 14.50
400 Watt	Mercury Vapor.....	\$ 25.50

INSTALLATION AND MAINTENANCE RATES

1. Installation or relocation on an existing pole..... \$ 411.50 per light
2. Installation or relocation requiring one new pole..... \$2,540.00 per light
3. If the Cooperative needs to install a new transformer, add \$2,006 to items 1 and 2.
4. All other, actual cost.

CONDITIONS OF SERVICE

1. The above rates apply to all existing yard lights and new yard lights installed on existing poles of Lane Electric. For poles installed by Lane Electric to support or supply yard lights prior to November 1, 2011, the above rates will be increased by a monthly charge of \$1.50 per pole or as indicated in a contract between Lane Electric and the member. All new and replacement light installations will use energy efficient dark sky, dusk to dawn, high pressure sodium luminaires meeting applicable Lane County area lighting standards. Requests for special poles and luminaires will be addressed on a case by case basis.
2. The monthly rate includes the maintenance of yard lights and the electric energy consumed. The monthly charge is based on year around usage, and should disconnects be requested for portions of the year. a connect fee shall be required before reconnection will be made.
3. Maintenance shall be done during regular working hours and at the discretion of Lane Electric.
4. Service under this schedule is subject to the general terms and conditions adopted by Lane Electric's board of directors.

TERMS AND CONDITIONS

The above charges are net and are due when bill is mailed. Service under this schedule is subject to the policies adopted by Lane Electric's Board of Directors and procedures established by the General Manager pursuant to Policy 104.
