

Schedule L-2

MEMBER-OWNED LIGHTING SERVICE

SPECIFICATIONS

System type and design must be approved by Lane Electric Cooperative (LEC).

MONTHLY RATE

100 Watt	High Pressure Sodium.....	\$4.50
100 Watt Equivalent	LED.....	\$2.50
Any account and lamp changes		\$29.00 (flat)

SPECIAL PROVISIONS

Rates: Monthly rates provide only for delivery of energy and associated utility costs.

Ownership: Members served under this schedule are responsible for initial design, purchase and installation costs and for all operation and maintenance of their lighting facilities.

Additional LEC Services: Members may apply for a contractual agreement between the member and LEC to provide for design, installation, operation and maintenance services. Charges to the member for such services shall be based on actual cost of materials, labor and equipment plus appropriate overhead and administrative costs.

Restrictions: Member owned lighting systems shall not be installed or modified by the member when located on LEC owned facilities.

TERMS AND CONDITIONS

The above charges are net and are due when bill is mailed. Service under this schedule is subject to the policies adopted by Lane Electric's Board of Directors and procedures established by the General Manager pursuant to Policy 104.
